Satellite Advisory Committee

Satellite deeply values input from those within the family child care community.

At each Advisory Committee meeting, the facilitator presents information about Satellite's support services and/or accreditation and then asks committee members related open-ended questions. Committee members are encouraged to use their unique backgrounds, personal and professional roles, and experiences as they share their perceptions and ideas.

Satellite's facilitator actively listens with the goal of utilizing committee members' expertise and experiences to strengthen the Satellite Family Child Care System.
