

Upward Madison

Satellite offers significant, ongoing support to achieve a sustainable, high-quality family child care program. We know how complex your work is — and we provide a combination of benefits designed to make it just a little bit easier. We are there for you, so you can continue to provide excellent care and education for your children.

Upward Madison provides participants program-sustaining support and resources while increasing health and safety practices and program quality measures.

Participants have access to:

- A consultant
- Professional development (in-person and virtual)
- Loan program—equipment and curriculum units
- Resource library
- Child developmental screening and assessment tools
- Program assessment tools
- Local social gatherings and educator appreciation event
- Mentoring program

Apply to
participate

Eligibility requirements

- Operate a licensed or certified family child care program in the city of Madison
- Interest in participating in Satellite's supports, including monthly consultant visits
- Intention to keep family child care program operating the next 3 years
- No religious teachings during regulated hours or required religious participation in programming

Participants may have the opportunity to transition from Upward Madison into Satellite's accreditation system.

Sponsored by the City of Madison and offered through Satellite Family Child Care System, Upward Madison is a **FREE** opportunity for all participants!
